We are pleased to offer the perfect retreat package to give your leadership team the *experience of a lifetime*—a selection of topics from the *Applied Leadership Seminar* combined with guided fishing in the pristine waters of Alaska’s Inside Passage. The combination of unique venues loaded with natural wonder, stimulating leadership inquiry, team fishing in a rigorous environment, and evening dinners with gourmet Alaskan specialties offers a rare opportunity for leadership teams to re-envision their organization’s future.

The resort is located on Prince of Wales Island and is the ideal all-inclusive Alaskan resort offering gourmet meals, a one-to-one staff-to-guest ratio, custom fish processing, and on-site airline check-in services.
