

Alaskan Experience *Executive Leadership Retreat – The Venues*

Offerings available in June and August

On our journey to Waterfall Resort we will spend two nights at the *Cape Fox Lodge* in Ketchikan, Alaska. The Lodge is located in the Tongass Narrows and has sweeping views of downtown Ketchikan and the marina. Ketchikan is just 90 minutes by air from Seattle, with several flights in and out provided by Alaska Airlines. [More about Cape Fox Lodge: www.capefoxlodge.com](http://www.capefoxlodge.com)

We ask attendees to arrive in Ketchikan by mid-day on Day 1, June 14 or August 10. A shuttle will transport you to the Lodge and you will have time to get settled before we start our first leadership session at 2:00 PM. A full-day leadership session occurs on Day 2 and a morning session on Day 3.

At 12:30 PM on Day 3 we depart via sea plane to *WaterFall Resort* on Prince of Wales Island. The Resort offers fishing rich in Alaska King Salmon, Halibut, Silver Salmon, Ling Cod, Snapper, and Rockfish. Its origins date back to the early 1900's when Waterfall was the most prolific Salmon cannery in Alaska.

[More about Waterfall: www.waterfallresort.com](http://www.waterfallresort.com)

Upon arrival at *Waterfall* the resort crew takes over and swiftly escorts attendees in teams of four to the cabin cruisers for our first afternoon of fishing.

On Days 4 and 5 we start early with morning leadership sessions. By noon we are on the boats for a full afternoon of fishing.

Each evening the group will reflect on the day's session and fishing over a dinner of gourmet Alaskan specialties. A well-stocked bar is available for cocktails in the evening or early to bed in one of the waterfront cabins.

On Day 6, departure day, either June 19 or August 15, we will be on the boats early and fish until 10:00 AM. All of your fish will be cleaned, vacuum-packed and boxed in special wet-lock boxes. The sea plane will have you back in Ketchikan by 1:30 PM and ready for your flight home.
